The minutes were submitted and they were reviewed and approved.

Old Business:

Need to finalize the Basketball Floor pieces. We need to let David Null know what size we want the floor taken up in. We would like for it to be 4'x 8' sections.
Gym Floor- This will need to happen pretty quickly, once graduation is over. The date to have the floor pulled up is June 14, 2010. The campus will be closed to everything immediately following.
We will look at taking up the bleachers as well on the same date.
Charlie Watts of Watts Flooring will assist in what we may need.

We need to have a community decision on where the Original Pirate from the Basketball Court should go. June will quickly be upon us.

The amount of money that a sport can request per school year is \$1000.00?

February 5, 2010 will be Pirate Pride Night during the Boys B-ball game.

New Business:

Coach Ricky Romans has submitted a Request for a Fund Match for Uniforms. The amount is for \$1000.00. Approved.

Swimming has requested some minor assistance for two swimmers that cannot afford some of the swim gear. The amount is for \$31.50.

A motion was made to waive the Sports Request so that it does not count towards the Swim Team.

David Null will have some information on the scorer's tables and team chairs for next Pirate Pride meeting to be review.

Brick orders that we have or any new ones that have been paid for need to be turned in so that we can get started on them.

Pirate Pride All Sport Banquet and Auction: The tentative date is for April 25, 2010. We will confirm during next month's meeting.

It is time again to renew your dues for Pirate Pride; the price is still only \$5.00
