The meeting was called to order by President Chris Grayson at 6:30 pm. The minutes of the July meeting were approved as well as the treasurer's report.

Chris Grayson announced that Jeff Shepherd had resigned the office of Vice President that he was elected to in July.

Carl Chastain gave an update on "Dragon Mania." Tickets will be ready to give out in early September for CHS to sell. Most tickets will be pre sold, and there may not be any available at the door. The games will be played on Nov. 24 at Silver Creek High School.

New Business:

Discussion on having a "Pirate Pride" night for one of the girls and boys basketball games was held. Both varsity coaches suggested 3 dates. Boys basketball suggested in order of preference Friday, Feb. 1, 2008 against Austin, Thursday, February 7, 2008 against North Harrison and Tuesday February 12, 2008 against Crawford County. Girls basketball suggested Wednesday November 21, 2007 against New Washington, Friday November 16, 2007 against Corydon and Saturday December 1, 2007 against Scottsburg. Chris Grayson will get with each elementary school principal to determine the dates that work best for them and report back to the club at the

September meeting. We will determine the activities and then agenda for each night at a later date.

It was determined that our 6 major sponsors will be recognized at the home football game on Sept 28 against Salem.

A sign up sheet was passed around for Volleyball concession stand workers. Each sport that works a night in the concession stand will get a percentage of the overall net profit at the end of the season. The breakdown of profits will be: 50% to CHS, 40% to the sport working the concession stand, and 10% to Pirate Pride.

Athletic Director David Null gave a report on the Athletic Department's budget.

With no new business the meeting was adjourned at 7:35 pm.
