The financial report was read and approved.

Chris Grayson reported that the "Pirate Pride Night" for the two elementary schools will be as follows. The girls varsity "Pirate Pride Night" will be held on November 16, 2007 against Corydon and the boys will be on February 1, 2007 against Austin.

Chris Grayson reported the booster club now has a storage building and that the volleyball concession seems to be going on just fine. Also, we have several signs that have been destroyed along Park Street. It appears that kids playing football in the area may be responsible.

Chris Grayson asked for volunteers to work the Pirate Pride booth at the final home football game on September 28, 2007.

Under new business Chris reported that Dr. Tony Bennett Superintendent of schools will be here on October 2, 2007 at 6 p.m. to meet with the community regarding our school and any other ideas we have.

Greg Alexander from "Dragon Mania" spoke about the upcoming event. He also turned over 1200 tickets for us to sell by 10<sup>th</sup> of October. Each ticket is \$4 and we as a booster club may tailgate from 11 a.m. to 1:30 p.m. on that

day. There will also be various events throughout the afternoon leading up to the games.

It was reported that Sponsor appreciation night will be held at the final home football game against Salem.

Chris Grayson also brought up an idea for discussion about a rivalry game with Silver Creek that would also have a traveling trophy associated with it. He discussed talking with Taco bell to see if they would sponsor a trophy for the boys and girls that would be called the "Battle for the Bell". It was decided that more discussion would be needed and a report to the club would follow.

With no other business the meeting was adjourned at 7:35 p.m.
