Discussed the Pirate Pride All Sports Banquet for April 19, 2009.

Rick and Kyra Stephens will be out of town that weekend and they will need to pass the torch over to someone to assist with the auction portion.

Letters will start to be mailed out in February. We will have meetings all through the month of February to start our planning process. Of course we will be looking for any volunteers.

Each sport will do a basket and then 5 smaller items for the silent auction. Band will also be included at this years Banquet.

New Business:

The One to One meeting is planned for February.

We are looking at different types of fund raisers and Church Hill Downs is having one for the Oaks and Derby. We decided to pass on this as it sounds to be there is too much involved for too little money.

Approved Training Bike for the Athletic Department.

Approved Wireless Microphone system for PPSB.

Approved ankle braces for Boys Basketball.

Boys Baseball will be playing 2009 season at the Charlestown Little League. Rick Romans has a few ideas on things for this year's season.

Saturday May 9, 2009 will be Pirate Pride Night.

They will be hosting an Alumni game. The game will be Sunday 3/17/09 or Sunday 3/24/09. This will be a fund raising event.
