Dear Pirate Pride Booster Club Member:

We in the Greater Clark County Schools are about to launch a very exciting educational initiative at Charlestown High School. We will be issuing every 9<sup>th</sup> through 12<sup>th</sup> grade student a laptop computer that will be incorporated into their educational program and will be available to be taken home for use after school hours. This educational initiative will require our teachers to develop classroom strategies that include the latest technology in the learning and research process.

We are having a special kick-off ceremony on Tuesday, November 3, at Charlestown High School. In that you are a Greater Clark County Schools supporter, we would welcome your attendance at this special event. Following are the details for our planned celebration:

**1:1 Kick-Off**  
**Charlestown High School**  
**Media Center**  
**Tuesday, November 3, 2009**  
**10:00 a.m.**

We hope you can join us for this important celebration. Please RSVP to Melanie Weyer at 288-4802 extension 305 or via e-mail at [mweyer@gcs.k12.in.us](mailto:mweyer@gcs.k12.in.us).

I want to take this opportunity to thank you for your continued support of the Greater Clark County Schools and the children we serve.

Sincerely,
